

Bank Without Boundaries

With the NBC Mobile Banking app for Android and iPhone

It's safe, easy to use and takes just a little set up to install:

First, Enable Mobile Settings on Your Account

1. Login to your online banking account
2. Select the **Options** tab on the top menu bar
3. Select **Mobile Settings** on the orange bar
4. Check the box, "Enable web access for your mobile device"
5. Choose whether you want to receive text message alerts on your phone
6. Provide your mobile phone number and select your wireless provider
7. Select which accounts you want to access from your mobile device
8. In the lower right-hand corner, **Submit**
9. Confirm information on page by selecting, **Confirm.**

Second, Get The App

Go to nbcbanking.com and find the **Get the Mobile Banking App** link on the very bottom of the page.

Choose the appropriate iTunes or Android link to get the Mobile Banking App for your device.
