

Economic Impact Payment Check Acceptance

We will **accept** your EIP check if:

- You are an NBC customer with an active deposit account
 - Checks can be cashed or deposited
- We will cash or deposit an EIP check for joint account owners if one of the owners is a current account holder and both named payees are present with proper identification

We will **NOT** accept your EIP check if:

- You do not have a National Bank of Commerce account
 - Alternative check cashing options: Wal-Mart, Check 'n Go, Money Xchange, USA Cash Services, etc.
 - If you would like to open an NBC account please call 218.740.2468 or 715.394.9041 to setup an appointment
- Your NBC account has been closed
- Endorsed checks – government stimulus checks cannot be signed over and cashed by an alternate individual

Your check will be **returned** to the IRS if:

- The account that was last used for receipt of an income tax refund or direct deposit of a benefit has been closed
- Deposit account ownership status is different from how the income taxes were filed
 - for example: jointly filed/joint payees EIP cannot be deposited into a single owner account
- Deposit account has been closed
